

Motor Oil & Lubricants

# GALAXY

## BALL BEARING

**GALAXY BALL BEARING** is lithium soap grease formulated with superior quality base oils and additives, used for a wide range of purposes in various industries. It is recommended for the wheel ball bearings and central lubrication systems of automobiles, commercial vehicles, sports utility vehicles, agricultural machines and heavy duty machines not used at extremely heavy loads or extremely high temperatures. It can also be safely used in ball bearings of electric motors.
